*Property insurance that works as hard as you.*

The difference between Lighthouse Excalibur and other insurance companies is that we take the time to understand what matters most to you. Home insurance plans should be crafted around your needs. There is not a one-size-fits-all plan. Our insurance agents are experts in the town or city that you call home.

## Our products

### HOMEOWNERS INSURANCE

Homeowners insurance is the most important step you can take to protect your home and belongings. A Lighthouse Excalibur policy offers both property and liability protection.

#### **Property**

We cover loss or damage to your home, additional structures and personal belongings. This includes damage from sudden events such as hurricane, fire, lightning, windstorm, hail, explosion, smoke, vandalism, theft and more. If your home can't be lived in after a disaster, we will cover increased living expenses while your home is being repaired.

#### **Liability**

Lighthouse Excalibur policies include personal liability coverage, which helps protect you and your family. This includes coverage for medical costs, legal expenses and property damage when you are found liable, or legally responsible, for damages or injuries to others at your home.

#### **Additional Protections**

Our homeowners policy offers valuable additional coverage options such as water backup or personal injury, as well as a broad range of deductible options and payment plans. We encourage you to discuss these options with your agent.

### DWELLING FIRE INSURANCE

A Dwelling Fire policy protects owner-occupied and rental residences by offering dwelling coverage. Our policy protects against hazards such as fire, hurricane, windstorm, lightning, and other perils. To tailor this policy to meet your needs, optional personal property and personal liability coverage may be added.

## Peace of mind. Ease of use.

We know the work it took to get you into your home. Years of dedication, discipline and dreaming brought you to this moment. ## Unmatched service when you need it most.
